## ABOUT ME

After completing my military service 3 years ago, I started on a journey of self-discovery, working and traveling.

Now, I am excited to start my professional career as a Junior Full Stack Developer, bringing with me strong problem-solving, communication, and learning abilities. I thrive under pressure and excel in teamwork, always eager to learn and develop my skills. I am looking for a company that will provide me with the opportunity to challenge myself and contribute to a team's success. I am confident that I can make a positive impact and am excited to continue growing in my field.
